? WHAT CAN YOU DO?

You can showcase your work through two global databases which have been viewed tens of thousands times since the launch of the platform one year ago.

? HOW CAN YOU DO IT?

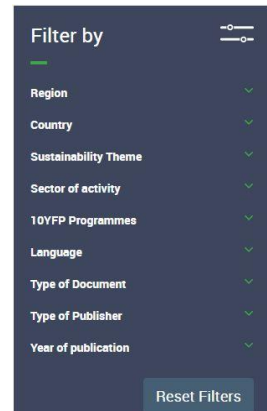

1 Sign up in just one minute on the at <http://www.oneplanetnetwork.org/user/register>

- ✓ Are you an expert in your field? Make sure to let us know here and you'll be tagged in the member directory
- ✓ Don't forget to answer the question 'I have a role in the One Planet network' to let everyone on the platform know your role in the network

2 Submit in 5 minutes a snapshot of your work to the world

- ✓ From the main menu *Databases*, check out either the Global database of SCP initiatives or resources
- ✓ Click '[Share your initiative](#)' or '[Share your Resource](#)' below the filters on the left.
- ✓ Fill out the form. If you think your work contributes to the portfolio of a 10YFP programme, don't forget to say so on Page 2.

Remember, the One Planet site is not here to make you repeat your websites or other sources of information. It should provide a **quick snap-shot of who is doing what and where in the SCP community, and how to find more information or be in touch.** 5 minutes of your time, no more!
