One Planet network Executive Meeting

Being the agents of change

Mr. Roberto Ridolfi
Assistant Director General, Programme Support
FAO
One UN for One Planet

Included as official input to HLPF review on SDG 12
UN Development Pillar Reform

New Opportunities:

- UN development reform (Global and Country Level)
- UN-wide sustainability strategy
One UN for One Planet

Five Recommendations:

1. Placing SDG 12 on the agenda of UN agencies at the highest level
2. Coordinated in-country support and national development frameworks
3. Streamlined SDG 12 indicator reporting:
4. A multi-agency Trust Fund for SDG 12 to catalyse its implementation
5. Strengthen multi-stakeholder partnerships on sustainable consumption and production
Place SDG 12 on the agenda of UN agencies at the highest level

Actions so far:
UN agencies involved in the programmes are providing joint solutions

High-level engagement:
• Meeting at UNEA 4 with Assistant Secretary Generals of respective agencies- strong commitment to work together.

• Second high-level level meeting yesterday to dive into the substance of the partnership to advance SDG 12.
Coordinated effort of UN custodian agencies for SDG 12

- Conceptualization of SDG 12 HUB - a centralized reporting system among all agencies.
- Potential joint awareness raising and capacity building

Strategic use of multi-agency pooled funds

One Planet Multi-Partner Trust Fund for SDG 12 with FAO, UNWTO, UN Environment, UNOPS, UNDP and UN-Habitat
What next:

- Put forward a pitch for high-level events in September (SDG Summit) for different target groups including business.

- Take the message as high-level representatives *together* to conferences and fora: EU parliament, G20, World Business Organization/ICC and in the UN system

- Jointly approach the UN Secretary General to influence his messages at the SDG summit

- Jointly approach donors to champion SDG 12 and the Fund (e.g. letters)
