10 YEAR FRAMEWORK OF PROGRAMMES
ON SUSTAINABLE CONSUMPTION AND PRODUCTION PATTERNS (10YFP)

Strategy Task Force - first meeting (webinar)

23 November, 2017, 11am-12:30pm (CEST)

Agenda

INTRODUCTION (15 min)
- The 10YFP Strategy in the midterm review
- Role and terms of reference of the strategy task force
- Introduce all task force members (including those not present)
- Present key documents that will inform the strategy development

10YFP INDICATORS: DEMONSTRATING THE SHIFT TO SCP (10 minutes)
Introduce the 10YFP Indicators of Success, Demonstrating the shift to Sustainable Consumption and production – a core output of the 10YFP M&E task force in 2016-2017. Brief introduction on the pilot reporting results and the ongoing 10YFP progress reporting.

THE INDEPENDENT EXTERNAL REVIEW (20 minutes)
Introduce the independent reviewer and the logic of having an outside consultant undertake such a review. Quick explanation of methodology followed by an update on some preliminary inputs from the external review.

KEY TASKS OF THE TASK FORCE OVER THE NEXT MONTH (30 minutes)
Discussion on key areas identified through the preliminary results of the survey and from the 10YFP Executive meeting. Task Force members are invited to volunteer for 1 or more key areas, with the aim of proposing an outline of the way forward to be presented at the January meeting.

NEXT STEPS (15 minutes)
- Discuss possible dates for face-to-face meeting in January
- Summary of agreed next steps
