10YFP Inter-Agency Coordination Group

Webinar September 2017
Agenda

• Enhancing coordination through the SCP Clearinghouse
• Brief update on 10YFP developments
• Progress on the list of agreed action points from the Group
• Milestones moving forward:
  – Mapping SCP related initiatives and events
  – HLPF 2018 - review of SDG 12
  – Annual reporting on the 10YFP
  – Round-table for ideas – what does the Group want to see from the IACG
• Next webinar and face-to-face meeting
The Global SCP Clearinghouse
www.scpclearinghouse.org

✓ Visibility for your work
✓ Access to information
✓ Enhance coordination
Visibility for your work

1. Register at www.scpclearinghouse.org/user/register

Don’t forget to indicate your role in the 10YFP!

Only takes a minute to sign up!
Visibility for your work

2. In just a few minutes, submit a snapshot of your work to a global platform for thousands to view.

Since re-launch of platform in December 2016, more than 18,000 users have seen more than 125,000 pages.

More than 3500 registered members contributing, searching for opportunities to engage.

Users can easily find your projects filtered by region, country, sector, 10YFP programme, etc.

How do I do it?

1. Register at [www.scpclearinghouse.org/user/register](http://www.scpclearinghouse.org/user/register)
2. To submit initiatives, go the global database under the Worldwide menu, or to submit resources, in the Knowledge Hub.
3. Fill in your info and submit! As soon as validated by admin, the snapshot of your work is showcased to the world.
Access useful information

Who is doing what, and where? A growing ‘network in action’ on display

Need consulting on an upcoming report? Looking for partners to implement a new project?

A fully searchable directory of the more than 3500 members has is just a click away

http://www.scpclearinghouse.org/members-directory

☑️ Enhance coordination

- The SCP Clearinghouse Exchange Spaces are like a private dropbox, calendar and discussion hub in one
- Linked to your Clearinghouse account: If you’re logged in there, you’re logged in here
- A private space has been set up for the IACG. **Make sure you are logged in to access**

### How do I do it?

1. Login to your account, either in the Clearinghouse or directly in the Exchange Spaces at [spaces.scpclearinghouse.org](http://spaces.scpclearinghouse.org)
2. Access your private IACG space either directly at [http://spaces.scpclearinghouse.org/10yf-10yfp-inter-agency-coordination-group](http://spaces.scpclearinghouse.org/10yf-10yfp-inter-agency-coordination-group), or through the Exchange Space menu *(Choose a Space>10YFP Coordination>10YFP Inter-Agency Coordination Group)*
3. NB: Your IACG Space is private, so you’ll need to be logged in to access. If you click a link to the space, or a document in the space, and see an ‘Access Denied’ message, just login using your Clearinghouse credentials, and then click the link.
Thank You

10YFP Developments

- The 10YFP Executive Meeting - May 2017
  - 10YFP Board
  - 10YFP Programme Leads & Co-leads
  - Donors

- The 10YFP report to the High Level Political Forum on Sustainable Development – with a progress brief – key highlights of the 10YFP in 2016; based on the pilot reporting of the ‘Indicators of Success framework’.

2016
(10YFP Highlights)

- 647 Partners*
- 379 Commitments
- 121 Projects
- 321 Outreach and Communication materials
- 174 Knowledge resources and technical tools
- 26,761 Person-days of training
Trust Fund report released for the 33 projects funded up to 2016

Mid-Term Review has started!
- Accomplishment of 10YFP objectives
- Effectiveness of the approaches adopted in achieving them
- Effectiveness of the 10YFP governance, operations and partnerships

Task force is being formed to develop the new 5 year strategy 2018-2023 – IACG will be represented by Co-Chair UN-Habitat

UN Secretary General’s report ‘Repositioning the UN development system to deliver on the 2030 Agenda – Ensuring a Better Future for All’
- ‘Sustainable consumption and production (SDG 12) the least well-resourced of all SDGs.
- SCP are areas where new norms and standards are likely to emerge in coming years, with an important role for the UN system to play."
- The need for strengthened UN system coordination
### Progress on agreed list of action points

<table>
<thead>
<tr>
<th>ITEM</th>
<th>STATUS</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Revise the IACG ToR</td>
<td>Completed</td>
</tr>
<tr>
<td>2. Private sector engagement: invite the UN Global Compact to join the IACG.</td>
<td>Completed</td>
</tr>
<tr>
<td>3. Increase information sharing, notably through the SCP Clearinghouse: to increase coordination and leverage and share the tools and networks of UN agencies to support the shift to SCP patterns. UN entities may envisage creating a working group on the SCP clearinghouse to strengthen coordination.</td>
<td>Pending all IACG members joining. Exchange space has been developed</td>
</tr>
<tr>
<td>4. Develop a joint effort to mobilize large scale funding (e.g. from Green Climate Fund, development cooperation agencies and financial institutions).</td>
<td>Activities undertaken so far: joint presentation to the World Bank with IACG co-Chairs, UNOPS and UNWTO.</td>
</tr>
</tbody>
</table>
Mapping of SCP related activities and events

- A mapping excel sheet in the SCP Clearinghouse Exchange Space
- Input information on ongoing work relating to SCP
- Highlighting the technical competencies of each agency under implementation and activities.
- Events calendar so members can put information about upcoming events.
<table>
<thead>
<tr>
<th>ITEM</th>
<th>STATUS</th>
</tr>
</thead>
<tbody>
<tr>
<td>5. Support the multiplier effect: (1) within UN agencies to raise awareness on the links with SCP to ongoing work; and (2) as outreach. Each agency to define how best it can put forward SCP in their agency’s agenda</td>
<td>Update requested from Group members.</td>
</tr>
<tr>
<td>6. Increase coordination and collaboration at country level</td>
<td>Mapping of activities through the SCP Clearinghouse for enhanced coordination.</td>
</tr>
<tr>
<td>7. Envisage and define joint capacity building activities</td>
<td>As above</td>
</tr>
<tr>
<td>8. Opportunities to highlight the contribution of the 10YFP to the 2030 Agenda: e.g HLPF 2018, in the context of the review of SDG 12.</td>
<td>Update requested from Group members – especially with regards to plans for HLPF.</td>
</tr>
<tr>
<td>10. Raise the profile of existing SCP activities</td>
<td>Through 10YFP programme portfolios, through the SCP Clearinghouse and other means.</td>
</tr>
<tr>
<td>11. Build an evidence base on SCP initiatives, their outcomes and those of the 10YFP Programmes</td>
<td>To be discussed further with the Group members.</td>
</tr>
<tr>
<td>12. Strengthen communication and visibility</td>
<td>To be discussed further with the Group members.</td>
</tr>
<tr>
<td>13. Convene the next face to face IACG meeting</td>
<td>Proposal to hold the meeting back to back with the next 10YFP Executive meeting.</td>
</tr>
</tbody>
</table>
Milestones moving forward:

• HLPF 2018 - review of SDG 12
• Annual reporting on the 10YFP – IACG will be invited to complete the reporting
• Round-table for ideas on developments that the Group would like to see from the IACG
• Plan the next face-to-face meeting
