## One Planet Network Executive Committee

### Online workshop series

18 to 20 May 2020

*In light of the ongoing COVID-19 pandemic, the 2020 One Planet network Executive Meeting is shifted to an online format. It is a reduced version of the meeting on the same days as originally scheduled and will consist of three online workshop sessions of a two-hour duration each to discuss progress on key topics.*

*Please note that the possibility of an in-person meeting in the months leading up to UNEA-5 (currently scheduled for 22-26 February 2021) is still envisaged, pending the evolution of the current situation.*

#### AGENDA

##### Meeting objectives:

Review the progress on the implementation of the 'One Plan for One Planet' strategy and advance on requests made to the One Planet network by the 4<sup>th</sup> UN Environment Assembly.

##### Meeting format:

3 online sessions of the duration of 2-hours each on the following

**1. Taking stock of progress and acting in a transformed world**

Monday 18<sup>th</sup> of May from 2pm to 4pm CEST

**2. Catalysing science-based policy action on sustainable consumption and production – Task group International Resource Panel / One Planet network**

Tuesday 19<sup>th</sup> of May from 2pm to 4pm CEST

**3. Addressing plastic pollution across the One Planet network**

Wednesday 20<sup>th</sup> of May from 2pm to 4pm CEST

##### Meeting Chairs:
